

START PLANNING FOR YOUR FUTURE NOW

Are you planning for retirement, but haven't set a retirement date? Many annuities and deferred income plans require payments to begin on a fixed date. Often you have to start taking income before you really need it and this could mean higher taxes. What if you could be flexible about your retirement date and defer unneeded income for the future?

If you are looking for a flexible retirement plan and desire to help charity, a **Flexible Deferred Gift Annuity** may be just the solution for you. You can plan for retirement now and decide later when you want to begin receiving payments. Your payments will be fixed with rates based on your age when you elect to begin receiving income. Better yet, you will receive a current charitable income tax deduction for making a gift to us.

CAPITAL GAINS TAX SAVINGS!

If you own appreciated stock or real estate, you know that selling these assets will produce a taxable gain. These are the sorts of assets that you could use to fund a **Flexible Deferred Gift Annuity** and avoid paying part of the capital gains tax. You benefit from fixed annuity payments for life. While a portion of those payments may still be taxed at capital gains rates, you may also enjoy partially tax-free income! The partial tax avoidance and increased income for life make a **Flexible Deferred Gift Annuity** a great option for you!
